

TASTES OF TOMORROW

### **Tantalize Your Senses and Share the Passion!**

*Tastes of Tomorrow* is a new culinary club initiated by George Brown Chef School students. Our intention is to create a community of people who are passionate about the culinary world and all it has to offer.

The three main components of the club will be: Education, Networking and Social Awareness.

#### ***Education***

- Invite Toronto's best chefs and culinary experts to offer their personal and professional stories and demonstrate their talents
- Organize culinary related fieldtrips

#### ***Networking***

- Develop the skills necessary to establish professional relationships of the highest standard
- Hold symposiums where students can be inspired by the influential leaders of our community
- Collaborate with already existing Associations and work towards common goals

#### ***Social Awareness***

- Come together to help people in our community in need, using food as our vehicle to communicate our support

Our ambition is to financially support ourselves through membership fees of **\$35.00** per school year payable 30 minutes at the door prior to any event. Members would be able to attend most events organized by *Tastes of Tomorrow* free of charge, whereas non-members would pay \$10 per event.

We hope to stimulate the minds and appetites of our student body and the industry leaders of tomorrow, fostering their passion for the culinary world.
