

Having trouble choosing a college program?

Not sure which career is the right fit for you?

Choosing a program or career is not easy, as this decision will impact your life and livelihood.

Let our Entry Advisors help you navigate through the uncertainty of choosing a program. Our EXPLORE CAREERS workshop is designed to assist you in tapping into your most important resource – YOURSELF! This workshop will help you with:

- Self-Exploration
- Career Research Tips
- Planning for Post-Secondary Education
- Clarifying the Application Process and Financial Aid
- Identify Strategies for Career Development

The 'Explore Careers' workshop will be available at **no cost** to all registered participants.

REGISTER NOW!

Please call or email to register for this workshop as **space is limited**.

The dates, times and locations are posted on the Entry Advising website: georgebrown.ca/advising
