

Career Re-Integration for Newcomers (ReNEW) Program

Develop your Career in Canada!

Are you an internationally trained professional who is having a hard time finding work in Canada? Are you working in a job that underutilizes your international education, experience, and skills?

The Career Re-Integration for Newcomers (ReNew) Program at George Brown College equips you with the knowledge, skills, connections, and resources you need to re-establish yourself professionally in Canada.

Program Cost

The ReNEW program is **free** of charge to participants, thanks to the generous support of Scotiabank.

Scotiabank®

Program Benefits

- Identify Canadian employment trends, opportunities, and requirements.
- Develop Canadian employment search and application skills.
- Articulate and 'pitch' your transferable skills, talents, and experiences.
- Strengthen your intercultural skills for success in the diverse Canadian workplace.
- Expand your social and professional networks in Canada.
- Gain basic Canadian financial literacy.
- Access tools and resources to help you plan your career next steps.
- Certificate of Completion from a recognized educational institute to include on your resume.
