

How do I edit a web page in NCE?

1. Select Content from the course navigation bar.
2. From the Table of Contents column, choose the web page you want to edit.

3. From the top-right corner of the page, select the three dots to open the dropdown menu.
4. Choose Edit from the dropdown menu.

5. Make any edits or additions to the page and select Save and Close when done.

Adding a Video Note

With Video Note you can record video or audio clips on the spot and add them to your content page. You can also add automated captions or upload your own.

Watch a short video on what you can do with the Media Library and Video Note (2:41).
