

## General Education Electives Offered Through Continuing Education WINTER 2024

The Continuing Education courses listed below are accepted as credit towards the *General Education Elective* requirements of most diploma and certificate programs. Other courses in the Continuing Education catalogue (even those listed under Liberal Arts and Sciences) do **NOT** qualify for General Education elective credit.

***The courses listed below do NOT apply as credit towards degree program requirements (i.e., they are not equivalent to Liberal Studies electives).***

Make sure you select courses that meet your program's breadth requirement (meaning that you have to take courses from at least two of the three categories – GHUM, GSCI, GSSC) and do not register for courses that are similar to courses that you have taken or will take in your program. It is best to check with the General Electives Office ([LASelectives@georgebrown.ca](mailto:LASelectives@georgebrown.ca)) before you register if you are not sure whether a course meets the General Education elective requirements for your program.

Please note that the fees for Continuing Education classes are **NOT** included in your regular full-time tuition fees. You may pay and register for these courses through the Continuing Education website.
