**Notes:****2021 Canada-Ontario Integrated Student Loan Default Rate & 2021 RAP Usage Rate**

(1) Number of COISL recipients in 2018-19 who did not receive loans or grants through OSAP in 2019-20.

(2) Number of COISL recipients in 2018-19 that did not receive loans or grants through OSAP in 2019-20 and were in default of the loan repayment obligations as of July 2021.

(3) Number of borrowers as per Note (1), who received and applied for RAP for one or more six-month terms between 2018-19 and July 2021.

- During repayment assistance either no monthly payment is required, or the monthly payment is reduced.
- And government pays monthly interest, or monthly interest and principal, not covered by the borrower's payment.

(4) Net number of 2018-19 borrowers that used RAP by July 2021 or were in default as of July 2021.

- A small percentage of RAP recipients also defaulted by July 2021.

\*As the number of loan recipients is less than 10, no information is shown. If only one program within an institution has a value that is less than 10, the second lowest number of loan recipients and the associated rates are also suppressed.

**21-22 KPI Grad Rate & 2022 KPI Grad Emp Rate**

"N/A" indicates that the program is not included in KPI Graduate Employment or KPI Graduation reports.

**2022 KPI Grad Emp Rate**

A dash indicates that fewer than 5 responses were received. A blank box indicates that no responses were received.

For programs with multiple streams, the stream with responses is shown.
