

## Welcome New First Year (S113) Dental Assisting students in Fall 2024!

- In preparation for your dental practicum experience both in-person and off-site, there are mandatory preclinical requirements that you will need to complete ahead of time, as it will usually takes **8 to 10 weeks** to process and complete. The Clinical Placement Office recommends that you begin gathering the necessary documentation now, to be able to submit and provide enough time for the approval process.
- Once you have gathered all the necessary documents, you will need to create an account, upload and submit all documents, certificates and evidences to the ParaMed Placement Pass portal by the **given deadline on September 6, 2024**. A link to the portal can be found at <https://georgebrowncollege.placementpass.ca/>
- If you **fail** to complete, submit, and upload these requirements to ParaMed Placement Pass portal by the **given deadline on September 6, 2024**, you will be **excluded** from dental practice which can jeopardize your academic standing & may lead to program **withdrawal**. All costs, service fees and fines associated with the overall medical and additional requirements are the responsibility of the student.
- Please **note** that even if you have graduated from another Health Sciences program either in George Brown College or from another college, university or institution **and/or** have experience working in any health-related profession, you are still required to complete all the non-medical certificates below. If you **fail** to do so, you will be **excluded** from clinical practice which can jeopardize your academic standing & may lead to program **withdrawal**.

**Below is a summary of all requirements that must be provided in your submission. Please read and follow all the instructions carefully:**

Book an appointment with your doctor/walk-in clinic and bring the Requisite Health form with you to document receipt of the following -TDAP, MMR, Varicella, Hep B, Two Step TB Skin Test and Flu Shot requirements. For more information, visit <https://www.georgebrown.ca/current-students/preplacement/forms/school-of-dental-health-forms>

Students who are not vaccinated may not be able to attend external clinical or field placements. As a result, this may pose a risk of meeting the requirements for program completion. The onsite WAVE (Wellness, Applied Learning, Visionary, Education) dental clinic will not require vaccination but is highly recommended. Use of PPE will be required in all onsite clinics.
- **Seasonal Flu Shot**-please do not worry about the flu shot at this time, if you have everything completed except your new flu shot record, you may submit your health form documents to the Paramed portal by the given deadline.

All costs associated with the vulnerable sector check application and additional fees related to fingerprint, court documents and Record Suspension (formerly Pardon) process are responsibility and paid by the student.
- ✓ If you have **any history of criminal record or not clear VSC record**, please contact us to further discuss how this will have a negative impact to your academic and clinical standing in the program. Check out the **YouTube tutorial videos** for all the Medical and Non-Medical requirements at <https://www.youtube.com/channel/UCIQndxFUqeBVhjB3QKPQ91w>

**Are you under 18 years of age? YES \_\_\_\_\_ or NO \_\_\_\_\_ (check mark)**

- ✓ The Vulnerable sector check cannot be started until you are physically in Ontario, Canada. **For students who reside in the Toronto region:** If you need to apply for your VSC and you currently **reside in the Toronto region with a postal code that starts with the letter M, follow these steps:**

- ✓ Contact [Suzette Martinuzzi, Clinical Pre-placement Co-ordinator](#) to request the VSC Organization Code.
- ✓ Once you have the code, go to the [Toronto Police Service website](#).
- ✓ Scroll down to Vulnerable Sector Check, and read the information provided. Then scroll down to the Register for an Adult Police Record Check Account box and select the Fill Out Form button.
- ✓ Complete the “Registration Account Information” and select the “Process My Registration” button. This creates your account. Now you must complete the six stages (Report, Documentation, Demographics, Payment Status, Authentication Status, and Application Status) of the VSC application. All six stages are mandatory.
- ✓ On the Report Selection page, scroll down to the Vulnerable Sector Check table and choose the Unpaid Student Placement option. Then go to the Reason for the Police Record Check table and complete as follows:
  - under Course Name, type your course (or program) name
  - under VSC Organization Code, type in the code provided to you by the Clinical Pre-placement Co-ordinator
  - under Vulnerable Clientele Duties, type "To provide care, support, and guidance for the health and well-being of vulnerable persons from 1 to 99 years old"
  - where you have to list which vulnerable sectors you will be working with, type "Children, teenagers, elderly, seniors, and persons with physical and mental disability"
- ✓ Finish answering the remaining stages. Note that payment for your online application must be provided by credit card only.
- ✓ Once your submission has been finalized, Toronto Police Service will send you an email notification indicating when you will receive your VSC results to your email account. **Processing times typically take 6 to 8 weeks from the date the application is received but may take longer due to volume of requests and/or time of year.**

**For students who are 18 years of age or older and currently reside in another region such as ([Durham, Halton, Hamilton, London, Niagara, Peel & York](#)) or other province. (If your Postal Code starts with the letter “K, L, N, P”, or Out of Province)**
