

Welcome to S302 Honours Bachelor of Behaviour Analysis-Year 2 Program!

- In preparation of any in-person field placement in Winter Term 2024, there are mandatory requirements that you will need to demonstrate completion of, prior to being assigned to a field placement. These pre-clinical requirements take time to complete, and it is recommended that you provide enough time for the approval process.
- The Clinical Placement Office recommends that you begin gathering the necessary documentation now, in order to be able to submit them and provide enough time for the approval process.
- Once you have gathered all the necessary documents, you will need to create an account, upload and submit all documents, certificates and evidence to the electronic Placement Pass by ParaMed website by the **given deadline on December 4, 2023**. A link to the portal can be found at <https://georgebrowncollege.placementpass.ca/>
- If you **fail** to complete, submit, and upload these requirements to ParaMed Placement Pass portal by the **given deadline on December 4, 2023**, you will be **excluded** from in-person placement which can jeopardize your academic standing & may lead to program **withdrawal**.
