- 4. ADMISSION/ENTRANCE REQUIREMENTS .....5
- 5. COSTS .....5

## 1. PROGRAM LOCATION

### 1.1. Program location

Centre for Construction Engineering Technology/ School of Computer Technology Casa Loma Campus, 160 Kendall Ave., Toronto, ON

### 1.2. [Map and TTC Information](#)

## 2. TRAINING PROGRAM

### 2.1. Program website

Here you will find the following information on the [T411 Program](#):

- Starting dates and duration of the program
- Program description
- Program standards and outcomes
- Program outline and required courses
- Careers and Post-Graduate Study Opportunities
- Tuition and Fees
- Admission Requirements
- Health Policy and allergy information
- Program contact information
- Link to download the program information pdf guide

### 2.2. Course outline

Detailed course outlines can be found at:

[georgebrown.ca/programs/course-outlines](http://georgebrown.ca/programs/course-outlines)

### 2.3. Is a cooperative placement part of the program? If so, how long is the placement?

No.

### 2.4. Describe any other hands-on experiences included in this program

Students are involved in real-world projects for one or two days per week with our corporate partners. They develop proposals and then work in teams to plan projects, set schedules, and achieve goals. As a primary requirement of the course, Team Project: Network Design, students work with telecommunications industry partners on cutting edge technology projects. The industry partners include such prominent names in industry as Rogers Wireless, Telus Mobility, Bell Mobility, and IBM Canada to name a few.

### 2.5. Is the curriculum fixed, or is it possible to develop an individual plan?

The program curriculum is generally fixed.

**2.6. How long has the school been offering this program?**

Contact the program coordinator.

### **3. EMPLOYMENT OUTLOOK**

**3.1. National Occupational Classification (NOC) occupational group**

a. Computer network and web technicians

**3.2. NOC Code**

a. 22220

**3.3. NOC TEER**

a. 2

\*Please note that the NOC Code(s) provided are suggested codes, final confirmation/determination will be made by the Ministry of Labour, Immigration, Training and Skills Development (MLITSD)

**3.4. What are the labour market conditions for this occupation?**

Please check the [George Brown Career Coach website](#) for job/labour market information for this program/career. Career Coach offers current, local information about all jobs in the GTA, including an overview of each profession and a list of currently available positions in a given field. The data are not limited to industries supported by programs offered at George Brown College; however, where we do offer relevant programs, students are presented with options for consideration that lead them into our own program pages.

**3.5. Are other licenses or certifications required for this occupation?**

Industry certification may be required by some employers.

**3.6. Within the last 3 years, what percentage of students completed this program?**

Please contact the program coordinator.

Khalid Danok Program Co-ordinator

Email: [kdanok@georgebrown.ca](mailto:kdanok@georgebrown.ca)

**3.7. What percentage of students who completed this program are employed in jobs related to the program? Are the jobs full-time, part-time, or contract?**

Data for the program shows that 73 percent of graduates are employed, 64 percent of employed graduates are employed in a related field, 63 percent in full time positions. (Graduate Employment Report, 2018-2019 of students who graduated in 2017-2018)

**3.8. Who hires graduates of this program? Who are the employers? (Provide examples)**

Employers of graduates include: Agilent Technologies, Bell Mobility, Cisco Systems, Computer Associates, Frontier Technologies, IBM Canada, OAO Technologies, Rogers, Sangoma Technologies, Sprint, and Telus Mobility.

**3.9. What is the program's/institutions reputation with employers in the industry/sector?**

In a word, excellent, among employers and the community at large. Many employers look specifically for a George Brown diploma. And practitioners already employed in the field are often expected to return to school to acquire the diploma.

With regard to the College in general, in a 2006 Environics poll on post-secondary institutions in Ontario, Greater Toronto Area residents (who themselves or whose family members are in college or are college-bound) name George Brown the province's "best college." Most respondents, when asked which college they would attend, make George Brown their top pick. (The next most popular college trails George Brown by almost 10 points).

**3.10. Can I contact current students or graduates of the program?**

The college cannot give out contact information for current students or graduates.

Student testimonials are available on the [School of Computer Technology webpage](#)

## 4. ADMISSION/ENTRANCE REQUIREMENTS

### 4.1. Admission/Entrance Requirements

Please see the [T411 program webpage](#) for more information on admission requirements for this program.
