Winter 2027 General Education Electives

Important Notes:

1. Not all General Education courses are currently available to all programs. Prepare for registration by looking up courses that are available for your program and semester **here**. *(The link will be active starting November 16, 2026)*

2. On January 5, 2027, remaining electives seats will be opened for students in all programs. If you'd like to switch courses, log back into your registration page on January 5th.
