MEDICAL REQUIREMENTS (Mandatory except the flu shot)

(.DOCTOR/PHYSICIAN/HEALTH CARE PROFESSIONAL TO COMPLETE, SIGN & STAMP)

Ontario legislation specifies certain surveillance requirements for those entering into healthcare practice settings. The Program policy was developed in accordance with the communicable disease surveillance protocols, specified under the Public Hospitals Act, to meet the requirements of our students’ placement settings. This process is necessary to ensure that our students protect their health and safety, and the health and safety of patients, visitors, employees and other students. Other than the influenza vaccine, the completion of this information is not optional, and all sections must be completed as outlined. Our placement partners have the right to refuse students who have not met their immunization standards. If, for medical reasons, your client is unable to receive a required immunization or Chest X-ray, a medical note of this exclusion must be provided on the form.

**Note:** If you do not have your old immunization record, you must contact your doctor's office or your regional Public Health and ask them to send you a copy.

1. **TETANUS, DIPHTHERIA & PERTUSSIS (Tdap/Adacel/Boostrix vaccine must valid every 10 years)** and attach a yellow card or any proof of immunization record.

2. **SEASONAL FLU SHOT (recommended every November/December)**

   Influenza virus vaccine is available free of charge from health services in the fall or can be obtained from your healthcare provider. Students are encouraged to submit evidence of the vaccination in December. If you know or suspect that you have an allergy to eggs or other vaccination preservatives or components, please discuss your options with your HCP. Do not worry about the flu shot at this time; you may submit your completed health form documents to ParaMed without the flu shot record. GBC will do a flu shot clinic in November/December.

   - Seasonal Flu Shot Given Date ____/____/____ (mm/dd/yyyy) Health Care Professional Signature

3. **MEASLES, MUMPS & RUBELLA (MMR)** (attach copy of blood test report, check the box and document all doses as outlined below)
