The List of Religious Holy Days is developed for the purpose of internal administration of the Ontario Public Service Religious Holidays Policy for Ontario Public Service employees. It is not a public document. The events and dates shown on the List reflect the exact information received from representatives of each faith regarding Holy Days that, in their view, will require their followers' absence from work for religious observance purposes. The OPS does not make any representation as to the validity or accuracy of the information provided. Concerns expressed about events and dates are referred to source faith representatives for clarification, and where applicable, amendments will occur.

Non-OPS users may, of their own volition, request copies of the List for their leave administration purposes. List updates will not be issued automatically. The OPS will not serve as the arbiter of administrative issues or concerns that such users may experience with respect to any differences between charts in their possession and the current chart posted on the internal MyOPS (intranet) site.
