3 EMPLOYMENT OUTLOOK

Section	Description	Information
3.1	National Occupational Classification (NOC) occupational group	Not applicable.
3.2	NOC Code	Not applicable.
3.3	NOC Skill Level	Not applicable.
3.4	What are the labour market conditions for this occupation?	<p>Labour market conditions are not applicable to this program. The Pre-Health Science program provides a direct path to the following programs at George Brown College: Practical Nursing, Dental Assisting, Activation Co-ordinator/Gerontology, Fitness and Health Promotion and Office Administration – Medical.</p> <p>Each of these programs reserves a number of seats per intake for Pre-Health Science graduates who meet certain conditions (such as a minimum program GPA or minimum grades in specific courses) upon graduation from Pre-Health Science.</p> <p>Students who intend to apply to any other post-secondary program at George Brown College or at another institution should check the</p>

Section	Description	Information
		admission requirements for the program. Graduates of Pre-Health Science may also apply for elective credit and exemptions for courses in those programs.
3.5	Are other licenses or certifications required for this occupation?	Not applicable.
3.6	Within the last 3 years, what percentage of students completed this program?	Approximately 70 percent.
3.7	What percentage of students who completed this program are employed in jobs related to the program? Are the jobs full-time, part-time or contact?	Not applicable as employment is not the anticipated outcome of this program.
3.8	Who hires graduates of this program? Who are the employers? (provide examples.)	Not applicable.
3.9	What is the program's/institutions reputation with employers in the industry/sector?	<p>In a word, excellent, among employers and industry, community, and government partners.</p> <p>In a 2006 Environics poll on post-secondary institutions in Ontario, Greater Toronto Area residents (who themselves or whose family members are in college or are college-bound) name George Brown the province's "best college." Most respondents, when asked which college they would attend, make George Brown their top pick. (The next most popular college trails George Brown by almost 10 points.)</p>

Section	Description	Information
		<p>Respondents believe George Brown best equips its graduates to get a job they want.</p> <ul style="list-style-type: none"> • George Brown is seen as having the strongest relationships with industry. • George Brown has the best reputation for offering students the best balance between theoretical and practical learning, and is considered a leader in delivering practical learning opportunities. • George Brown’s graduates are thought most likely to become “leaders of tomorrow.” <p>Survey respondents also believe that George Brown is “the college with graduates that are most sought by employers.”</p> <p>A more relevant measure of this program’s reputation, however, are the perceptions of faculty members of diploma programs that Pre-Health graduates enter. Faculty describe the students as well prepared to meet the academic and professional demands of their programs— Practical Nursing in particular.</p>
3.10	Can I contact current students or graduates of the program?	The college cannot give out contact information for current students or graduates.
