3.1	National Occupational Classification (NOC) occupational group	Other Medical Technologists and Technicians (except Dental Health)
3.2	NOC Code	3219
3.3	NOC Skill Level	B
3.4	What are the labour market conditions for this occupation?	Please check the GBC Career Coach website for job/labour market information for this program/career. Career Coach offers current, local information about all jobs in the GTA, including an overview of each profession and a list of currently available positions in a given field. The data are not limited to industries supported by programs offered at George Brown College; however where we do offer relevant programs, students are presented with options for consideration that lead them into our own program pages. http://cc.georgebrown.ca/

3.5	Are other licenses or certifications required for this occupation?	Yes. In order to dispense P&O devices, technicians must pass the certification examinations of the Canadian Board for Certification of Prosthetists and Orthotists. Examinations are written following a supervised 96-week internship in a P&O facility.
3.6	Within the last 3 years, what percentage of students completed this program?	Approximately 86 percent.
3.7	What percentage of students who completed this program are employed in jobs related to the program? Are the jobs full-time, part-time or contact?	Data for the program shows that 100 percent of graduates are employed, 100 percent of employed graduates are employed in a related field, 100 percent in full time positions. (Graduate Employment Report, 2017-2018 of students who graduated in 2016-2017)
3.8	Who hires graduates of this program? Who are the employers? (provide examples.)	Employers who hire graduates of this program include: <ul style="list-style-type: none"> • Any hospital that has a P&O department (which, in the Greater Toronto Area, are Bloorview MacMillan, SickKids, Sunnybrook, and West Park) • Numerous private facilities across Canada • Major P&O suppliers, e.g., Otto Bock Canada.
3.9	What is the program's/institutions reputation with employers in the industry/sector?	In a word, excellent, among employers and the community at large. Many employers look specifically for a George Brown diploma. And practitioners already employed in the field are often expected to return to school to acquire the diploma. With regard to the College in general, in a 2006 Environics poll on post-secondary institutions in Ontario, Greater Toronto Area residents (who themselves or whose family members are in college or are college-bound) name George Brown the province's "best college." Most respondents, when asked which college they would attend, make George Brown their top pick. (The next most popular college trails George Brown by almost 10 points.)

3.10	Can I contact current students or graduates of the program?	The college cannot give out contact information for current students or graduates. Student testimonials are available on the School of Health and Wellness webpage: http://www.georgebrown.ca/healthwellness/
