2.1	Program website	http://www.georgebrown.ca/S121-2019-2020/ Here you will find the following information on the S121 program: <ol style="list-style-type: none"> 1. Starting dates and duration of the program 2. Program description 3. Program standards and outcomes 4. Program outline and required courses 5. Careers and Post-Graduate Study Opportunities 6. Tuition and Fees 7. Admission Requirements 8. Health Policy and allergy information 9. Program contact information 10. Link to download the program information pdf guide
2.2	Course Outline	Detailed course outlines can be found at: http://www.georgebrown.ca/CO/gbc/programs/S121.html
2.3	Is a cooperative placement part of the program and if so, how long is the placement?	Yes, there are clinical placements during each of the program's four semesters. The fourth semester is primarily a consolidation semester in which the student has a pre-graduate clinical experience under the guidance of a preceptor.
2.4	Describe any other	The newly renovated Simulated Practice Centre (SPC) is a simulated environment designed to simulate an acute in-patient setting with a

Section	Description	Information
	hands-on experiences included in this program	critical care unit, operating room and a step down unit, as well as a separate “home apartment.” The SPC allows students from a variety of programs, including Nursing, Gerontology, and Orthotics/Prosthetics, to name a few, to practice scenarios together in a safe setting. The Interprofessional Learning Clinic (ILC) at George Brown offers students a clinical practice opportunity providing direct client services in a real, working environment and the chance to participate in community health promotion and education initiatives.
2.5	Is the curriculum fixed, or is it possible to develop an individual plan?	The program curriculum is generally fixed.
2.6	How long has the school been offering this program?	George Brown has been helping to launch careers in healthcare for more than 35 years.

3 EMPLOYMENT OUTLOOK

Section	Description	Information
3.1	National Occupational Classification (NOC) occupational group	Licensed Practical Nurses
3.2	NOC Code	3233
3.3	NOC Skill Level	B
3.4	What are the labour market conditions for this occupation?	Please check the GBC Career Coach website for job/labour market information for this program/career. Career Coach offers current, local information about all jobs in the GTA, including an overview of each profession and a list of currently available positions in a given field. The

		<p>data are not limited to industries supported by programs offered at George Brown College; however where we do offer relevant programs, students are presented with options for consideration that lead them into our own program pages.</p> <p>http://cc.georgebrown.ca/</p>
3.5	Are other licenses or certifications required for this occupation?	To work in the occupation, graduates of the program must also pass the Canadian Practical Nurse Registration Exam (CPNRE) and be registered with the College of Nurses of Ontario.
3.6	Within the last 3 years, what percentage of students completed this program?	Approximately 65 percent.
3.7	What percentage of students who completed this program are employed in jobs related to the program? Are the jobs full-time, part-time or contact?	Data for the program shows that 68 percent of graduates are employed, 67 percent of employed graduates are employed in a related field, 44 percent in full time positions. (Graduate Employment Report, 2017-2018 of students who graduated in 2016-2017)
3.8	Who hires graduates of this program? Who are the employers? (provide examples.)	<p>Employers include:</p> <ul style="list-style-type: none"> • Access Alliance Multicultural Health and Community Services • Toronto Community Housing Corporation • Baycrest Centre for Geriatric Care • City of Toronto • Bridgepoint Health • The Red Cross • Centre for Addiction and Mental Health • The Hospital for Sick Children • Trillium Health Centre • Sunnybrook and Women's College Health Sciences Centre • North York General Hospital • University Health Network

3.9	What is the program's/institutions reputation with employers in the industry/sector?	<p>In a word, excellent, among employers and the community at large. Many employers look specifically for a George Brown diploma. And practitioners already employed in the field are often expected to return to school to acquire the diploma.</p> <p>With regard to the College in general, in a 2006 Environics poll on post-secondary institutions in Ontario, Greater Toronto Area residents (who themselves or whose family members are in college or are college-bound) name George Brown the province's "best college." Most respondents, when asked which college they would attend, make George Brown their top pick. (The next most popular college trails George Brown by almost 10 points.)</p>
3.10	Can I contact current students or graduates of the program?	<p>The college cannot give out contact information for current students or graduates.</p> <p>Student testimonials are available on the School of Nursing webpage: http://www.georgebrown.ca/nursing/</p>
