

Thank you for choosing George Brown for your Cross Connection Control Course:

- Cross Connection Control Specialist (Tester) 5-day
- Recertification 2-day
- Large Device Repair (Also counts as Recert.) 3-day

Here is some basic information to make your first day of school more enjoyable.

First Day of Class: Enter C Building of the Casa Loma Campus of George Brown College, 160 Kendal Ave. M5T 2T9, near Spadina Road and Dupont Street in Toronto. Go down stairs to Level 1 and find the Plumbing Shop, Room C119. **Classes start at 8:00am and end at 5:00pm.**

Classroom Material: (available on campus) large three ring binder, calculator, lined paper, pen, 2H pencil. Optional, red – blue – green coloured lead mechanical pencils, ruler etc.

Please note cell phones may not be used on tests for any purpose.
