

## Library Learning Commons, Academic Resource Centre, E-Library Food and Drink Policies:

### Purpose:

To promote and provide a comfortable study environment while protecting the Library Learning Commons collections, equipment, furniture and facilities

- **Library Learning Commons staff reserves the right to determine which food items and drink containers are acceptable, and will respond to any complaints from other users.**
- **The Library Learning Commons has different zones based on equipment and study activities; each zone has different Food & Drink policies. Please look for posted signs and read each zone policy. If unsure, please ask staff.**

We ask all Users of the Library Learning Commons to be considerate of others and to help us keep it clean. Food residue also attracts insects and rodents. Please use available Trash or Recycling bins. If you notice spills or problems with food waste please report to staff.
