Accessibility Report Summary

Your responses to the questions on your Accessibility Report indicate that your organization is in compliance with the Customer Service Standard.

Your organization's Accessibility Report must now be certified. According to the Accessibility for Ontarians with Disabilities Act, Accessibility Reports must be filed by a person with the authority to bind the organization. To complete the required certification section, please select the "Certify Report" button below.

Note: Only a person logged into ACR as a Certifier for your organization can certify and submit your organization's Accessibility Report.
